Written with compassion, humor, and insight, *The Hidden Power of the Believer's Touch* affirms that the healing anointing and the gifts of signs and wonders are not reserved for "super saints" or the specially gifted, but are available to every believer who carries the compassion and love of the Lord Jesus.

Mahesh Chavda is the founder and senior pastor of All Nations Church in Charlotte, North Carolina. An international evangelist, Mahesh and his wife Bonnie have led more than 700,000 people to Christ around the globe. They also oversee the worldwide "watch of the Lord" prayer movement and conduct training conferences that teach Christians to do the works of the Holy Spirit. The Chavdas and their four children reside in Charlotte, North Carolina.

many books have been written to prepare us for something, but not all of them fully fulfill that intention--though they may certainly be influential. this book goes beyond influential, and really does take the reader through phases of understanding to prepare those who thirst to walk in supernatural

power--which actually seems natural to those who do so. Chavda himself has been a willing vessel who responded to the rhema word of GOD to see 1000+ seekers of deliverance fall out before thousands of witnesses, when the power of GOD fell upon people standing near the stage. This caused a mass deliverance from a spirit of suicide in the nation of Hungary--a nation with a high suicide rate. From this book, I learned that GOD can raise us up, just as HE called Chavda, to walk in supernatural power in order to be used to pull down strongholds of the devil. Not only can JESUS use us to take down strongholds in a single soul, but through us, HE can affect the demographics of nations.

It was o. k.

I am always uplifted, strengthened & encouraged to press into my faith. This book is a blessing and makes me want more of Jesus! You will not be disappointed!

I have read two of Mahesh Chavda's books and I'm reading the third one right now. The clarity of his writing and the personal experience make this a must read if you are interested in learning more about how God works through any believer. We all can pray for people with the laying on hands and see people healed. You just have to start. This book is an excellent tool of encouragement and you will not regret the purchase. I have read *The Hidden Power of Prayer and Fasting* and I'm currently reading *The Hidden Power of the Blood of Jesus*.

I received this book in the mail on the way out the door to catch a plane. I tucked it in my bag and took it with me. I pulled it out on the airplane and began to read and I could not put this book down! This book so totally restored my faith in healing and laying hands on the sick that I wanted to kick, spit, and lay hands on people on the plane! LOL WOW! What a book it is just as good as Mahesh's first book from Destiny Image, *The Hidden Power of Prayer and Fasting*, just a different subject. This man of God has led a fasted life to the Lord and this is why he walks with such a healing anointing. Please do yourself a favor and read everything this man puts a pen to!
