Customer Reviews

Okay, it's really just the Jr. Higher in me that even wanted to buy this book and it was definitely worth the 99 cents I spent to have it on my kindle so that I can text and posts constant yo mamma jokes to my pals throughout the day in between shifts at work and stuff.I did hope to get a lot more original material but it's a solid collection of mostly jokes that I forgot Again, I probably shouldn't have expected a whole lot more than what I got but I'm a stingy reviewer in the first place so 3 Stars it is.

Skimpy book with a small number of jokes, many not funny, printed unprofessionally, as if from a printer without any layout.

This book is full of really funny jokes but they can be a little cruel. I don't recommend this book for small children. Thank you and enjoy your day.

Didn't even chuckle. I've heard every joke before in the 4th grade. Plus its like 5 pages or something..... Garbage

They were not funnyThey were the worst yo mama jokes anyone has ever invented in the worldVery boring

These jokes are solo funny I was in class and I couldn't stop laughing you need to get this book.

This book is so funny! I laughed so much that I had tears. I let my sister read it and she was laughing and laughing. What a good book! This book really made my expectations. A very good read!

Yo mama jokes are so funny you'll pee your pants.they make you feel that you can be very funny on your own.I created my own joke book once before,because of this book I sold a 70 of them but I only got \$35 but did I give up NO I kept trying and sold 70 more of them and I got \$70 that time so their was a \$35 difference between the two of those.
