The Essential River Cafe: Thirty Years Of Modern Italian Classics From London's Iconic Restaurant

Synopsis

The bold, beautiful new cookbook from the Michelin-starred kitchen of one of the world's most revered Italian restaurants--featuring more than 120 simple, modern recipes. For thirty years, London's River Cafe has been the source of the British culinary renaissance, a place to see and be seen, serving some of the best Italian food to be found anywhere in the world. This lavishly illustrated book brings together the restaurant's very best dishes from across the decades and the menu: more than 120 recipes for incomparable antipasti, primi, secondi, contorni, and dolci, like White Asparagus with Bottarga Butter; Spaghetti with Lemon; Risotto with Roast Partridge; and Hazelnut and Ricotta Cake. Written by owner/chef Ruth Rogers, along with head chefs Sian Wyn Owen and Joseph Trivelli, the book revisits the restaurant's legendary history in anecdotes and illustrations (think menus designed by Damien Hirst), and includes tips for the contemporary home cook. Stunningly designed, this is a must-have for all food lovers.
