Walking On Jersey: 24 Routes And The Jersey Coastal Walk

Synopsis

Walking on Jersey describes 24 coastal and inland walks, ranging from 2 to 8 miles in length. Almost all of the walks link directly with one or two other walks, allowing all kinds of extensions to the route. The walks can also be joined together to create the 48 mile Jersey Coastal Walk, and the Channel Island Way. The walks use good paths and tracks as well as quiet country roads. Occasional more rugged paths explore the island's excellent cliff coastline. Famous for sunshine, year-round walking, history and a wonderful coastline, Jersey is an intriguing destination for travellers. Outwardly British but with French overtones, the island has a long tourist season. Jersey has plenty of interesting historical sites and attractions to visit including castles, churches and museums
