Silver Wheel: The Lost Teachings Of The Deerskin Book

Synopsis

A precious treasure of lost Lemurian wisdom is found in the forest. It is a book, clad in worn white deerskin, and within on pages of bark is inscribed a mysterious and glowing script. It is written in the language of the Elven Ones, who so long ago vanished from our world. Silver Wheel is an exquisite mandala of wisdom teachings from the Elven realms of Lemuria, that declares the Golden Dawn of a New Earth. It announces the return of the Shining Ones, and guides us into their ancient knowledge, their harmony with the earth and stars. Elen Tompkins received these teachings during her years of shamanic training in the forests of Wales. These beautiful teachings offer navigational tools for the New Earth. They activate our own otherworldly gifts and memories, and our intuitive grace of connection to the elemental and star realms.

Customer Reviews

"Throughout the book, her beautifully written and descriptive imagery gives a sense of actually experiencing the forest and rituals of ancient Lemuria with the author. For those with belief in Elven powers and willing to learn, this book will be a welcome invitation to metamorphosis."

Elen Tompkins is a Shamanic and Reiki healer and teacher. Having read English and Philosophy at university, she spent some deeply quiet years living in the forests of Wales, where she received spiritual teachings directly from the Elven Elders.

This book is truly a work of grace, so much more than a mere work of art. Ms. Tompkins' book is one of the most elegantly written pieces I've experienced in a very long time. The kind of writing that makes one want to drink it in slowly, to make it all last longer, yet the material is so truly enticing that one must simply experience more. (You know who you are . Åf Å Å, Å Æoe Å Å) Very meticulous in her craft.

This book reads like a fantasy, but it is about real things that have been existing in other dimensions. If you know there is more to the world than what you can see with your physical eyes, you might find this book interesting. I personally love it!

A most lovely, sacred experience to share with the author. It is mystical and dazzling and combines many levels of Spirituality. It relates a wisdom from aeons ago about the natural world and how the Silver Wheel is a "transformation" for us on Earth today.

Dear Hearts; Have not finished the book yet, but there is beautiful information here.

As I read this book I felt my own heartbeat resonate with the pulsation of the earth and all Her beings. It is a mystical mysterious shamanic journey. Delve in and enjoy!
